Come see the Olympians Former and Present up close and personal. These Shows were great the last time around. No word yet on whether they will be asking for local talent or Kiddy shows like in the past. I will let everybody know as soon as I know.

Sydney Greetings: Thanks to the Following clubs for getting Congrats posters to me. I have forwarded them to Sydney and they will be displayed for all the Olympians to see. Crystal Lake Gymnastics Center, Gym Corner, Gymnastics Spot, Gym Star, Olympia Gymnastics.

Fall has started: Hope this finds everybody with full gyms.

Illinois R&P: Is 99% done and will be at the printers Tuesday the 19th. Sorry for the delay.

Registration On Line: I have done both our Athletes and a few Pro numbers Registrations on line. While it was hard to get on at times (system down) it was very easy to do. Please be patient with this new system. We will be experiencing slight inconveniences but in the long run this will be a great addition to our lives. No longer will we have to wait for 3 weeks to get our number. We can get them as late as right before the meet. Of course you will have to bring the confirmation of your renewal to the Meet Directors. They will have little way of checking for that. The Meet Director will and will assume (with out this confirmation) that you or your athlete are expired and thus unable to Compete or be on the Floor. While renewing on line you are asked to save your confirmation for your records. PLEASE DO THIS AND BRING TO THE MEETS.

LANYARDS: As stated in an earlier newsletter every Pro member, Meet Director, Judge must show and have visible your Professional Number Card. We as a state will be providing these to you. They will be available soon (hopefully at the Judges Cup but production time will be close). If you loose your free one a new one can be purchased for \$4.00.

This is a Nation wide rule and has already been in place in many regions.

ATHLETE CARDS: Please start now informing you Athletes that they will be required to present their Cards at meets and that they need to bring them to meets. Coaches it might be a great idea for you to have a copy of the card (or Confirmation of number) just in case they forget. It would be sad if an athlete could not compete because she could not prove that a NEW number had been attained.

Both pro numbers and Athlete number will be the same as last year. We will now keep the same number forever. This will make it hard on those trying to verify whether you did or did not renew.

The Actual Card will take some time to be mailed.
