

Illinois State Hotline

Members are encouraged to contact the appropriate Committee members to discuss any questions, concerns, or problems that arise. Professional members are strongly advised against contacting Regional or National Officers with matters that can be resolved within the state. Please refer to the "communication flow chart" below..

Professional members may contact the appropriate Level Chairperson, Safety Chairman, Elite Chairman, NAWGJ Chairman, Education Chairman, or Secretary. If the Level Chairman cannot answer your questions, he or she will contact either the JO Chairman or State Chairman. If the other chairmen cannot assist you, they will in turn contact the State Chairman.
