Temple Edition Design

The MIGS Program has been working closely with the Temple University Men's gymnastics team to ensure continuance and re-instatement to varsity status. The intent of this marketing effort is to generate funds for that purpose.

Former Temple gymnast and NCAA All-American, Nyika White is the guy doing the Maltese.

The t-shirt, with its high quality, friction free, moisture wicking fabric is a great workout shirt. It is part of our College Gymnastics Forever collection.

To expedite processing, please use one order form per team and enclose one check for the total amount.

It is our hope that every gymnast, coach, club owner, judge and parent of all gymnasts participate in this fundraising drive.

Thanks for your support.
