

Athlete Bio Information

2017 JR OLYMPIC NATIONAL CHAMPIONSHIPS AND EASTERN/WESTERN CHAMPIONSHIPS QUALIFIERS

All athletes who have qualified to JO Nationals or Eastern/Western Championships MUST link to the following web site to complete their bios. These surveys are used by USA Gymnastics for information and promotional purposes, including posting pictures and bios of the winners. The National Championships Meet Hosts may also use these bios to publicize human interest stories about the athletes.

Most importantly, it allows us to provide information on the high school-age athletes to the NCAA* coaches in attendance. Even if you are already signed with a university, we are asking you to complete the survey, as it's important that the collegiate coaches are aware of who has already committed to a university.

**The deadline for submitting this survey is
Wednesday, April 26, 2017.**

No information will be accepted after this date.

Please log on to:

* Information about all high school –age athletes will be distributed to the NCAA coaches in attendance. Any information regarding GPA, SAT/ACT scores, as well as personal information such as addresses and phone numbers will be considered confidential, and will only be given to accredited college coaches.
